This newsletter is aimed to be the bridge between the administrative side of the game and the player themselves. Anyone wishing to send material to be published in this newsletter, must contact the editor on maltatablefootball@gmail.com.

FROM YOUR END

I just saw your newsletters for the first time and I wanted to congratulate you on them! They look unbelievable and contain just the information I want to see.. well done!

In my club, TSC Royal 78, we used to have a similar magazine that we produced for many years (but stopped about 10 or so years ago). We printed them and actually sold paper copies to people, and it became really popular among all the Austrian table soccer players.

I think what we need to do is get this newsletter into the hands of all players. Maybe you can send an e-mail copy of this newsletter to all the clubs so that they can have one printed copy in their training facility for all players to read. I am sure with more people reading it you would

also be able to get guest articles and other cool ideas for what else to include in future issues.

Anyways, just some suggestions. Very well done! Looking forward to reading the next issue. See you at the World Cup :)

 Wolfgang Haas

For this special edition, totally dedicated to the World Cup in Palermo, there is no editorial as the newsletter is already good sized. In the next issue, one will find details about tournaments of July and August too, as we had to limit the space. We encourage everyone to send us his/her photos.
